Organizes an

International Webinar on The Educator's Toolkit: Upskilling for 21st Century Classrooms

March 11 & 12, 2025

Online Platform
ZOOM

Chairperson
Dr. Jayashree Inbaraj

Conveners
Dr. Ruchi Mittal
Mrs. Deepali Sarode

About the Webinar

Education is key to human development and teachers play a critical role in shaping future leaders. In a rapidly evolving world driven by technological advancements, educators must lead the transformation of the learning ecosystem.

The NEP 2020 envisions an education system rooted in Indian ethos, aiming to make India a global knowledge superpower. It recognizes teachers as the heart of learning, emphasizing the need to equip students with key skills of communication, collaboration, creativity and critical thinking (4Cs) to thrive in a dynamic world.

To stay relevant, educators must reskill, upskill and if required, deskill to ensure transformative learning experiences.

This webinar will explore essential skills for contemporary classrooms, blending innovation with Indian ethos to prepare future-ready professionals.

Webinar Objectives

- To sensitize educators about the need for reskilling, upskilling and deskillling.
- To build up awareness on emerging thoughts on reskilling, upskilling and deskillling for educators.
- To equip educators with various innovative skills to elevate their teaching impact.
- To provide a platform for sharing personal thoughts and experiences with reskilling, upskilling and deskillling.

Call for Papers

There will be paper presentations on both days of the Webinar. Papers can be on any of the following Themes (with specific focus on upskilling, reskilling and deskillling):

- Integrating Technology in the classroom
- Innovative Pedagogies
- Sustainable Education Practices
- Teacher Well Being and Professional Growth

Papers will be published in an international (peer-reviewed) journal with an ISSN.
